## **President's Letter**

Dear ESCIF friends and colleagues

Like spring, the annual ESCIF Congress is fast approaching! Having missed the meeting in Vienna last year, I am even more excited than I usually am at the thought of getting together with all of you. Our colleagues in Zveza paraplegikov Slovenje have been very busy preparing for the congress and I am sure that we will all have a rewarding and enjoyable time.

Together with this letter, we are sending the invitation to the Assembly of Delegates and the material you will need for the Assembly. Please remember to print this out for your own use and bring it with you.

There is a proposal from the ESCIF Executive for a minor change to the Federation's statutes. If you are unable to send a delegate to the Assembly, please remember that you can give another delegate power of attorney to vote on your organisation's behalf. We look forward to seeing you in Slovenia in May.

Regards from the ESCIF Executive.

Best  
Jane Horsewell
